Manitoba Hydro Projects – Join the Indigenous Business Directory

The Manitoba Hydro Projects Indigenous Business Directory supports the participation of Indigenous subcontractors and suppliers on Manitoba Hydro projects. Requests for proposals for Manitoba Hydro project work may include a list of Indigenous businesses from the region taken from this directory. As companies prepare their tender submissions for Manitoba Hydro projects, they may contact the listed businesses to explore potential subcontracting and related opportunities.

If you are interested in listing your business in the Manitoba Hydro Projects Indigenous Business Directory, please complete this form.
