Manitoba Hydro Projects
Household Information Sheet

Take a sheet of paper, or print out this template, write down the following list (adding any additional things you can think of), fill in the blanks, and leave it at home for your family so they have the information they need, when they need it, and it is easy and accessible.

Who should they call for _____?

House repairs: _____

Plumbing: _____

Home heating: _____

Vehicle repairs: _____

Phone / TV / Internet: _____

Banking: _____

Health care: _____

Childcare: _____
