Manitoba Hydro Projects Bursary
Information Sheet

Your path starts here.

Receive up to $2,500 to support your training and education and $750 to help support purchasing essential tools and equipment.

Future job opportunities on Manitoba Hydro Projects could include:

- Carpenters
- Millwrights
- Electricians
- Labourers
- Administrators
- Heavy Equipment Operators
- Journeypersons
- Trades Helpers
- Painters
- Apprentices
- Trainees
- Environmental Inspectors
- Safety Inspectors
- Powerline Technicians

This is an opportunity to start your training and be ready when jobs open up. The Manitoba Hydro Projects Bursary Program supports education, training and skill development for Indigenous Manitobans.

You can apply for:

1. Training and Education - **Up To $2,500**
2. Employee Equipment, Personal Protective Equipment (PPE) and Tools - **Up To $750**

You can apply for both bursaries, or just one of them – and you can apply once per year. Bursaries are allocated on a first come first served basis, until funds for the year run out.

Bursaries are paid directly to the successful individuals. You will be required to provide a confirmation of enrollment document from your education institution and/or a letter from your employer of required equipment with your completed application.

For questions or more information, please contact your Community Representative, or email the Manitoba Hydro Liaison: projectliaison@hydro.mb.ca.

Available in accessible formats upon request.
